

INTEGRITY

Semi Framed Shower Screen

The Best of Both Worlds

The Semi Framed Integrity Shower Screen features a framed outer screen and a semi frameless door. It's innovative pivot design ensures smooth operation and effortless maintenance. The advanced low-profile reduces the gap between the door and sill upon closing, minimising external splashes and enhancing water resistance. This easy-to-clean, low-maintenance Shower Screen is available in a range of frame colours and glass types to match your style. Customisable to meet your needs, this Shower Screen ensures both functionality and beauty.
